CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

After having analyzed 33 data in the previous chapter, it can be concluded that there are two type of preposition, such as *Space Preposition* and *Metaphor Preposition* that occur in *Birds of Prey* movie. The writer just focused on finding the type of *Space Preposition* and *Metaphor Preposition* that occur in data take from *Bird of Prey movie*. From the previous thoughts, it can be concluded as follows from 33 data has been analyzed, the writer found some of *Space Preposition* and *Metaphor Preposition* in Bird of Prey movie.

The writer found types of *Specified Point in Space, General Area, Movement, Three - Dimensional Space, On to of a Horizontal Surface, Points, Surface, Volumes, Two or Three Dimensions, Surface or Liner Concept, Past or Through, Vertical Dimension* from S*pace Preposition* and *Thoughts and Meanings, Feelings or Emotions* from *Metaphor Preposition*.

From 33 data that has been analyzed in chapter IV, the writer found that space preposition and metaphor preposition. There are 13 data found in *Space Preposition : Specified Point in Space, General Area, Movement, Three - Dimensional Space, On to of a Horizontal Surface, Points, Surface, Volumes, Two or Three Dimensions, Surface or Liner Concept, Past or Through, Vertical Dimension.* Meanwhile, there are 21 data found in

Metaphor Preposition: Thoughts and Meanings, Feelings or Emotions. Based on the analysis above, the most preposition found in Bird of Prey Movie is *metaphor preposition* with the frequency 21 data.

B. Suggestion

After analyzing and giving conclusion about Space Preposition and Metaphor Preposition in *Bird of Prey* movie, the writer would like to draw suggestions of this research so that can be helpful for everyone. For the reader after knowing the type Space Preposition and Metaphor Preposition that occur in this research, the writer suggests the readers to do the double-check on writings, especially in movie to understand Preposition in movie.

From the next researcher after completing this research, the writer suggest the next researcher to arrange research better and more detail. Hopefully this research can be stepping stone and reference for them to achieve better research so that the grammatical aspect will be automatically improved.

For the campus during the research, the writer might need several references to support the writing. The writer felt that the lack of references from the campus library is due to the incomplete books contained in STBA JIA library, so the writer look for references from outside the campus library. The writer suggestions for the campus is to complete several book collections in STBA JIA library in order to facilitate further research by the next researchers.
