

## CHAPTER V

### THE CONCLUSION AND SUGGESTION

#### A. The Conclusion

After analyse the data in the previous chapter, the writer draw the conclusion:

- a. There are many obstacles that the writer face, one of the obstacles found is that the writer does not fully understand the reporter's work. The writer's solution is to practice it while learning it. Not only that, the writer is also worried about the number of videos needed every week by Radar Bekasi. The solution to this problem is to communicate with Radar Bekasi employees and try to find on the internet where to visit.
- b. The writer did the internship based on schedule in Radar Bekasi.

#### B. Suggestion

After finished of the observation, in this last paragraph, the writer wants to give suggestions for the company. The writer hope this suggestion can to increase ability and profit of company.

- a. Re-announcing standard operating procedures to all employees, so that employees are accustomed to discipline.
- b. Never give employees the opportunity to take disciplinary action, especially regarding office policies.

- c. When they need new employees, it would be better if they hire employees who have work experience in the field of journalism (communication science).
- d. Use a kind of suggestion box or questionnaire for employees, in order to find out the wishes of employees.
- e. Using multiple punishment systems for employees to make the work environment more competitive and challenging.
