CHAPTER V

CONCLUSION AND SUGESTION

A. Conclusion

After having 20 analyzed data in the previous chapter, it can be concluded that there so many kinds of every utterances that produced in *Extremely Wicked, Shockingly Evil and Vile* Movie. The writer just focused on finding types or kinds that include illocutionary act. Like, explanation by the writer in previous chapter, Illocutionary is act is the performance of an act in saying something and in illocutionary has a few kinds that people must know. Of all previous thoughts can be concluding:

1. By identifying every utterance in *Extremely Wicked, Shockingly Evil and Vile* Movie the writer can be the writer can better know that in each utterance has its own meaning.

2. The writer can understanding the utterances from the situation itself and based on context of situation in the Movie. That's why, the context and meaning behind an utterance in *Extremely Wicked, Shockingly Evil and Vile Movie* can be defined in 2 ways that is by looking at the context of situation after the data is interpreted.

3. Classifying the types of illocutionary act in *Extremely Wicked, Shockingly Evil and Vile* Movie for finding out what each utterance falls into what type.

4. The process of finding data can be done by identifying and matching the lists of utterance that was found in the Movie. The classification is divided into **expressives** (the utterance will show attitude what is felt by the speaker or all character itself). The second as **representative** (the utterance will show us dialogue as an act of something that is believed). The third as **directives** (the utterance will show us dialogue as an action so someone can do it). The fourth **commisives** (the utterance will show us dialogue as an action or something that can be done in the future). The last as **declaratives** (the utterance will show us dialogue as an action or something declared or announced by the speaker itself).

5. The most common use type of illocutionary act in *Extremely Wicked, Shockingly Evil and Vile* Movie that was found is Expressive types with the highest rank.

B. Suggestion

After analyzing and giving conclusion about utterances of illocutionary act in *Extremely Wicked, Shockingly Evil and Vile* Movie, the writer would like to draw suggestions of this research, so that it can be helpful for everyone.

Here it is:

1. For the writer.

It is important to provide a new experience to analyze the utterance and the classification of illocutionary act in *Extremely Wicked, Shockingly*

Evil and Vile Movie, which makes the author understand the intended meaning behind an utterance pragmatically and how it brings us to the interactive learning mode by using movie.

2. For the lectures.

This research can be a helpful source that can be used for sharing in teaching-learning process to the students in linguistics subject.

3. For the readers.

Learning by reading the main book sometimes can make the people bored. This research can be such an interactive learning system especially in pragmatic subject by understanding the cases (question of the research) and finding out the solution. The object will also make the readers curious and interesting to read the dialogue and context of situation based on the movie. The reader can get the mutual benefits of getting information about utterances of illocutionary act. This research will make them be aware with kinds of every utterance in illocutionary point in daily life.
