

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter consists of two points, namely conclusion and suggestion. After finding and discussion about leadership in King Arthur Movie, the writer presents conclusion and suggestion as follow:

A. Conclusion

From the result of this research conducted on the King Arthur movie which directed by Antoine Fuqua the writer can draw conclusion about the phenomenon of leadership proposed by Robert K. Greenleaf theory Based on the data analysis, the writer concluded as following:

1. In this movie, Arthur portrayed as a good leader who has good listening, empathy, healing, and awareness to the people. Arthur has good conceptualization for handle the problem. He has foresight nature to prevent the problem.
2. “King Arthur”, is the main character in the movie. He is a protagonist and around character, where there is development in his character during the movies the storyline. Specifically, there are listening 17,4%, 3 data of empathy with a percentage of 13,04%, 1 data of healing with a percentage of 4,34%, 2 data of awareness with a percentage of 8,7%, 2 data of persuasion with a percentage of 8,7%, 2 data of conceptualization with a percentage of 8,7%, 2 data of foresight with a percentage of 8,7%, 1 data of , stewardship with a percentage of 4,34%, 4 data of with commitment

to the growth of people a percentage of 17,4%, and 2 data of building community with a percentage of 8,7%. All in all, it also showed the most dominant characters of leadership are listening and commitment meanwhile the least appeared characters are healing and stewardship.

B. Suggestion

Based on the result, the writer would like to give some suggestions that would be useful in the future, for the writer and the readers as follows:

1. For the writer

Through this research, the writer gained an understanding of character of leadership, particularly from “King Arthur” movie. This research is far from perfect, and the writer hopes that in the future research will be better.

2. For the researcher

The writer suggests the other researcher to study more about character of leadership, much aspect to explore about character of leadership.

3. For the reader

Since character of leadership is the interesting topic to discuss, especially those who love story King Arthur, we should understand how to be a good leader and important to know the character of leadership.
