

## CHAPTER V

### CONCLUSION AND SUGGESTIONS

#### A. Conclusion

1. The factor that makes it difficult for Travina Prima Junior High School students to master vocabulary are student's limited vocabulary knowledge, lack of student's motivation in learning English, and students don't pay attention to the writer.
2. The obstacles found this the research is related to some students did not understand what the writer said because they were joking with their friends. That is because lack of student's motivation in learning English.
3. Some solutions can be implemented by giving a certain approach to students, conducting group work, getting students' attention, making interesting games, providing additional value for diligent students, giving penalties for students who make problems, repeating the wrong pronunciation three times, and repeating it again at the beginning of the next meeting.

## 1. Suggestion

Based on the result of this research, the writer feels necessary to give suggestion as follows:

1. For the English teacher, Teachers should give students in eighth grade more vocabulary, grammar, and pronunciation practice, and be patient in motivating children who are lazy to learn English it is hoped that teachers can use many references from various appropriate sources to teach English. Besides that teachers must encourage students to be relaxed about learning English and not be afraid to make mistakes.
2. For the school, Education needs to be improved to make students more active in learning English. Make an English day program two times a week so that students are more confident in speaking English.
3. For the next research, suggestions that can be given related to this research are expected to further researchers to add samples for better research.
