

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

In this thesis, the writer has analysed the 12-episode movie series GTO by Tohru Fujisawa. After introducing the series and mentioning that despite of somewhat similar stories about inspirational and/or unusual teachers being told several times before in literature and cinema, while pointing out that they still manage to attract and fascinate the audiences, the writer defined the representation of educational ideologies, the theoretical background of the thesis, in order to clarify the focus of this analysis.

The writer showed that Onizuka characters in *Great Teacher Onizuka* movie containing a liberalism ideology with a bit of anarchism and liberationism ideology. Those representation of liberalism shown by Onizuka's actions in giving lectures, teaching, and advice to the students and teachers there. Also, Onizuka's way of thinking is unique from the way most teachers think which why liberalism ideology is suitable with Onizuka representation in this movie.

The influence of Onizuka's teaching also has an impact on the students in his class, who were originally troublemakers, but now they are great students thanks to Onizuka's teaching. Not only influencing the students, Onizuka also made a big influence on some of the teachers who taught there, where teachers there who always thought that a teacher was only concerned with how to make

students smart, became how a teacher made a close relationship with his students.

B. Suggestion

After analyzing and giving conclusion analysis of Representation of Educational Ideology of the main character Onizuka in *Great Teacher Onizuka* movie using William O'Neill theory, the writer has some suggestion for the college. It is expected this research will be useful and can add many references in order to made students be easily doing their research. The writer also suggests STBA JIA to provide more book about representation and educational ideology like William O'Neill so that the students have no difficulty in finding some references.

For the students or for the researcher, the writer hopes the result of this research can be useful to the students of the English Literature at STBA JIA or students from the other university as the other reference, too. The writer also hopes the result of this research could give more reference for what is educational ideology by William O'Neill.

For the general readers, the writer hopes that the readers understand and be thoughtful in teaching students or others. The author also hopes that the readers will be able to choose a movie that is very inspiring for them, it is also hoped that readers will take good things from the movies they watch.
